

**School-Parent Compact
Deal Elementary School
2026-2027
Revised June 16, 2026**

Dear Parent/Guardian,

Deal students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

Jointly Developed

The parents, students, and staff of Deal partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held during the Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

Hall County School System Goals:

- **FY27 Goal 1:** By the end of FY27, the overall CCRPI score for HCSD will increase by 2 points from the previous year's overall score, demonstrating measurable improvement in school performance across content mastery, progress, closing gaps, graduation rate, and readiness.
- **FY27 Goal 2:** By the end of FY27, the district will implement and monitor targeted strategies that strengthen the overall well-being of students and staff as evidenced by an increase in Georgia School Climate Rating by 1%.
